August 15–February 3, 2014 | Special Exhibition Hall

Special exhibition *Water to Paper, Paint to Sky: The Art of Tyrus Wong* focuses on the life and work of Chinese-American artist Tyrus Wong—a celebrated painter, muralist, kite maker, lithographer, Hollywood sketch artist, calligrapher, ceramicist, and Disney Legend. At age 102, Wong is still a practicing artist today. Organized by Michal Labrie, the museum's director of collections, the exhibition will feature more than 150 works including paintings, sculptures, works on paper, painted scarves, kites, and more—including paintings that served as the inspiration behind the look and feel of Walt Disney's *Bambi*.

[Camille Rose Garcia: Down the Rabbit Hole](#)

Now through November 3, 2013 | Theater Gallery

Free for members or with museum admission

Exhibition *Camille Rose Garcia: Down the Rabbit Hole* features some 40 works by goth-inspired lowbrow artist Garcia alongside ten *Alice in Wonderland* concept paintings by Disney artist Mary Blair from the museum's collection. Organized by guest curator Tere Romo, the exhibition celebrates not only Garcia and Blair's artistry across decades and artistic styles, but also the power of art to draw us into magical worlds that spark engagement and inspiration.
